

Application form for Authorisation of Market Support Services Licensee (MSSL)

including explanatory notes

IMPORTANT: Please read this carefully before completing this form. Italicised words and expressions used herein (but not otherwise defined herein) shall have the same meanings respectively ascribed to them in the Singapore Electricity Market Rules.

Why do you need to complete this form?

Under the *market rules*, if you are not a *market support services licensee*, you are **not permitted** to participate in the *wholesale electricity markets* or to cause or permit any *physical service* to be conveyed into, through or out of the *transmission system* unless you have been registered by the *EMC* as a *market participant*, and your facility to or from which the *physical service* is to be so conveyed has been registered by the *EMC*, in accordance with the *market rules*.

Under the *market rules*, if you are a *market support services licensee*, you are also **not permitted** to participate in the *wholesale electricity markets* for the purpose of (i) the *supply* and sale of *electricity* to non-contestable *consumers*; (ii) facilitating access to any *wholesale electricity market* for obtaining *supply* of *electricity* for contestable *consumers* and *retail electricity licensees*; or (iii) providing other services related to access to any *wholesale electricity market*, unless you have been authorised to do so by the *EMC* in accordance with the *market rules*.

The *EMC* is licensed by the Energy Market Authority (the “*Authority*”) to operate the *wholesale electricity markets* in Singapore. One of the *EMC*’s responsibilities is to manage the authorisation of *market support services licensees* in the *wholesale electricity markets*. If you are a *market support services licensee*, you must complete and submit this form to be authorised by the *EMC* under the *market rules* if you wish to participate in the *wholesale electricity markets* to:

- *supply* and sell *electricity* to non-contestable *consumers*;
- facilitate access to any *wholesale electricity market* for the purpose of obtaining *supply* of *electricity* for contestable *consumers* or *retail electricity licensees*; or
- provide other services related to access to any *wholesale electricity market*.

Why did EMC develop this form?

The *EMC* has developed this form for *market support services licensees* to apply for authorisation under the *market rules*. You should read the relevant sections of the *market rules* prior to completing this form. Please also read the *EMC* disclaimer at the end of this form.

Who is eligible to apply for authorisation?

Only *market support services licensees* may apply for authorisation under the *market rules*.

What if EMC needs further information and clarification?

The *EMC* shall, within 10 *business days* of its receipt of this form (unless the *EMC* agrees with you to a longer period), request in writing any further information or clarification required by the *EMC* to process your application. It is important that you respond promptly to the *EMC*’s requests in writing. If the *EMC* does not receive the requested information or clarification to its satisfaction within 15 *business days* from the date of its request (unless the *EMC* agrees with you to a longer period), then **your application shall be deemed to have been withdrawn** and you shall be required to submit a new application if you still wish to apply for authorisation under the *market rules*.

All communications between you and the *EMC* in respect of such further information or clarification shall be in writing.

When will you know the outcome of your application?

The *EMC* will notify you in writing of the outcome within 20 *business days* of the receipt of (i) this form; or (ii) all further information and clarification requested by the *EMC*, whichever is the later (unless the *EMC* agrees with you to a longer period). If your application is denied, the notification will identify why this was the case. A duly and accurately completed form will expedite the *EMC*’s processing of your application.

Is there an application fee for your application to be authorised under the market rules?

There is no application fee payable for your application to be authorised under the *market rules*.
